

## **NDIF's 3-year strategy for 2023-2025**

### **Mission**

The mission of the National Deposit Insurance Fund of Hungary (NDIF) is to contribute to the stability of the domestic financial system, to the strengthening of confidence in the banking system through the high level of protection of savings, and to sustainability.

### **Vision**

National Deposit Insurance Fund of Hungary (NDIF) is an esteemed member of the domestic financial system, which ensures a high level of protection of savings by applying modern, efficient, and customer-friendly procedures, and promotes the implementation of sustainability aspects during its operations.

### **Values**

The National Deposit Insurance Fund (NDIF) is an organization operating on the basis of ethical values. Our key values are explained in detail in the Code of Ethics, which is also published on NDIF's website. NDIF operates an Ethics Committee, which is responsible for investigating ethical complaints.

### **Strategic goals for the period 2023-2025:**

- 1) High level protection of savings, striving for the highest possible level of customer experience.
- 2) Improvement of processes and the control environment, enhancement of process quality assurance, and digitalization.
- 3) Promoting sustainability and establishing an environmental, social and governance (ESG) framework in the operation of NDIF.
